PRIDDY FOLK FESTIVAL 2020

Friday 10th July to Sunday 12th July

Craft and Trade Information

Priddy Folk Festival is held on and around Priddy Village Green. A full programme of musical and other events will be held throughout the weekend. We expect thousands of people to attend, with free public access to all the trading areas.

As per the last few years we will be concentrating the craft and trade space in a field on the left hand side of the main road as you leave the village from the green. Again to make the most of this new site we have decided to limit trading to just this field with no trading on the green itself.

Therefore trading categorisation and prices are as follows:

1. Traders (in the field)
 - Sales of non food merchandise – please read important note below re depth of pitch
 - £50 per metre of stall frontage or £60 with power supply.
2. Craft Traders (in the field)
 - Sales of non food merchandise – **ALL** products must be made by the stall holder
 - £38 per metre of stall frontage or £45 with power supply (in the field)
3. Craft demonstrations and registered charities
 - Demonstrators of crafts – ongoing demonstration of crafts – **No selling**
 - Free pitch – limited availability

Pitch depth – important new information

- Minimum charge is for 2m
- The maximum depth is 9m in field,
- Please take into account the size of all the space you require including the stall, camping and vehicles.
- You will NOT be able to overspill in any direction.
- There is no room in the new field for any drift and there is no spare space.
- If you want to save space we can arrange parking for your vehicle/s in a separate field.
- It is likely that stalls with less depth requested will be allocated space near the entry of the field, however, this cannot be guaranteed.
- If you require more space than usual because of these new rules please book more frontage to compensate

Other information

These prices will only be available to stall holders whose application is received by 31st May 2020. You do not need to have a festival ticket to trade.
2. We will, as usual, have large bright banners at the entrance to the field, making the Craft and Traders area very visible and stressing that entry is free.
