

Priddy Folk Festival

Campsite Information

(Feel free to print/download this and bring it with you!)

As you near the festival follow the Priddy Festival signs to the campsite, please ignore your satnav. The campsite opens at 10.00am on Friday. Have your e-mail / tickets ready to show at the campsite entrance gate – either printed or downloaded onto a mobile device. Unless you are a volunteer Steward with pre-event duties, **PLEASE DO NOT ARRIVE EARLIER THAN 10AM ON FRIDAY**, as the campsite will not be accessible. **In a change from previous years, camping/caravan pitch tickets are being sold separately from festival tickets.**

PLEASE NOTE: - The main campsite footprint has changed slightly from 2023. Additionally, there will be a one-way traffic system in operation. Entry, as in previous years will be from Nine Barrows Lane. Exit will be via a field gate onto the Top Village Green and the main road at School Hill. Please follow the signed route when you leave the campsite.

On arrival the Stewards will help you choose where to camp:

- There is a strictly 'Tents Only' field where tents can be pitched singly or in groups.
- All the other fields are for any grouping of Caravans, motorhomes, tents etc.
- In the Tents Only field are some “park along the road” localities. Tents can be pitched right next your car in more relaxed car free zones.
- In the sloping field please park vehicles across the slope or bumper to bumper around the central zone.
- There are lots of 6m square marked pitches if you would like to camp in one. Space is limited, so **PLEASE DON'T PITCH ANYTHING OUTSIDE YOUR ALOTTED AREA.**
- Please park where you will be camping and try to avoid driving your vehicle during the festival. **DO NOT DRIVE YOUR VEHICLE AFTER DARK, EXCEPT IN AN EMERGENCY.** In any case, seek the assistance of a Steward.

The campsite has mobile flush toilets, mobile heated showers, recycling facilities and a chemical toilet disposal point. Our water points supply clean and drinkable water through sterilized pipes. Please check the location of your nearest Fire Point when you are at your chosen pitch.

Remember the danger of carbon monoxide poisoning Devon & Somerset Fire & Rescue Service (link below) advises you to keep lit and even “extinguished” barbecues out of tents; the combustion of most fuels used on campsites can create carbon monoxide.

Except for Guide Dogs and Assistance Dogs – **DOGS WILL NOT BE ALLOWED ON THE FESTIVAL SITE, CAR PARKS OR CAMPSITE.** This restriction is one of the conditions of our licence.

Open fires are NOT allowed on the campsite. Barbecues can be used but **must be at least 150mm** off the turf whilst in use - please bring your own bricks (or similar!). **IN THE EVENT OF HOT DRY WEATHER, ALL BARBECUES WILL BE BANNED, OWING TO THE INCREASED RISK OF FIRE**

DO NOT OBSTRUCT THE MARKED EMERGENCY ROADWAYS - park off the roadway before unloading, please.

Access to the paid for venues is by wristband ONLY. To get your wristbands, present your ticket/ e-mail at the Festival Office on the Festival Green, which is open from 10am -10pm on the Friday of the festival, 9am-10pm on Saturday and 9am-5pm on Sunday. The souvenir programme will be available in the Festival Office.

We look forward to welcoming you to Priddy and know you'll have a great time!
