

Priddy Folk Festival

Campsite Information

(Feel free to print/download this and bring it with you!)

- As you near the Festival follow the Priddy Festival signs to the campsite, please ignore your satnav. The campsite opens at 10.00 am on Friday. **PLEASE DO NOT ARRIVE EARLIER THAN 10AM ON FRIDAY**.
- Unless you are a volunteer Steward with pre-event duties, do not arrive early as the campsite will not be accessible. Please be patient as a queue will build at the entrance to the site. Stewards will be on hand to offer advice/guidance. Don't worry, there will be plenty of room for all!
- **In a change from previous years, camping/caravan pitch tickets are being sold separately from festival tickets (festival tickets collectable from the Festival Office on the village green)**. Have your e-mail / tickets ready to show at the campsite entrance gate – either printed or downloaded onto a mobile device. **NB Tickets for multiple pitches are often purchased by one person. If you are one of a party of campers, and your camping pitch was bought by someone else, please give the name of the lead camper and the number of campers in the party.**

PLEASE NOTE: The main campsite footprint changed in 2023, and we operate a one-way traffic system. Entry is from Nine Barrows Lane. Exit is via a field gate onto the Top Village Green and the main road at School Hill. Please follow the signed route when you leave the campsite. See the campsite map on the website/ in your programme.

On arrival, the Stewards will help you choose where to camp:

- There is a strictly 'Tents Only' field where tents can be pitched singly or in groups.
- All the other fields are for any grouping of Caravans, motorhomes, tents, etc.
- In the Tents Only field tents can be pitched right next to your car.
- In the sloping field, please park vehicles across the slope or bumper to bumper around the central zone.
- There are lots of 6m square marked pitches if you would like to camp in one. Space is limited, so **PLEASE DON'T PITCH ANYTHING OUTSIDE YOUR ALLOTTED AREA**.
- Please park where you will be camping and try to avoid driving your vehicle during the festival. **DO NOT DRIVE YOUR VEHICLE AFTER DARK, EXCEPT IN AN EMERGENCY**. In any case, seek the assistance of a Steward.
- The campsite has mobile flush toilets, mobile heated showers, recycling facilities and a chemical toilet disposal point. Our water points supply clean and drinkable water through sterilised pipes. Please check the location of your nearest Fire Point when you are at your chosen pitch.

Remember the danger of carbon monoxide poisoning! Devon & Somerset Fire & Rescue Service (link below) advises you to keep lit and even "extinguished" barbecues out of tents; the combustion of most fuels used on campsites can create carbon monoxide.

[Barbecues | Devon and Somerset Fire and Rescue Service \(dsfire.gov.uk\)](https://www.dsfire.gov.uk)

[Camping and caravanning safety | Devon and Somerset Fire and Rescue Service \(dsfire.gov.uk\)](https://www.dsfire.gov.uk)

Except for Guide Dogs and Assistance Dogs – **DOGS WILL NOT BE ALLOWED ON THE FESTIVAL SITE, CAR PARKS OR CAMPSITE**. This restriction is one of the conditions of our licence.

Open fires are NOT allowed on the campsite. Barbecues can be used but **must be at least 150mm** off the turf whilst in use- please bring your own bricks (or similar!). **IN THE EVENT OF HOT, DRY WEATHER, ALL BARBECUES WILL BE BANNED, OWING TO THE INCREASED RISK OF FIRE**

DO NOT OBSTRUCT THE MARKED EMERGENCY ROADWAYS - park off the roadway before unloading, please.

We look forward to welcoming you to Priddy and know you'll have a great time!
